

Shorebird Field Cabin

Shorebird Field Cabin
2459 Route 935, Johnson's Mills, NB
 45° 48' 48.91"N, 64° 29' 33.97"W

The cabin is across the road from the cobble beach and mudflats on the Bay of Fundy.

Facilities

The field cabin is a rustic cottage but has electricity, running hot water, full bathroom with a shower and fully stocked kitchen. The drinking water can be bit salty and we cannot confirm it is potable so we provide bottled water. The cabin is uninsulated but there is a woodstove with dry wood, and backup electric heat.

There are two bedrooms with a bunk bed in each, plus a futon in the living room, so it could sleep 5. There are mattresses on the bunks so you just need sleeping bags and a pillow. There is a BBQ with propane in the storage area beside the bathroom.

Living room with woodstove and futon. Dry wood, paper and matches provided.
